Every session: 20 minutes

3 min, Warm up: Posture check, fingers on the F and J bumps, eyes on the screen.

10 min, Lesson: One or two lessons from this week. Accuracy first: aim for 95%.

5 min, Game: A typing game as a reward. It still counts as practice.

2 min, Reflect: Students record stars or WPM on their practice log.

Teaching tips

Praise accuracy and posture first. Speed follows.

Cover hands with a light cloth to stop looking down.

Same device each session, so progress is saved.
